STATEMENT FROM THE KSF MANAGEMENT COMMITTEE

The Kurdistan Solidarity Forum (KSF) Management Committee would like to provide our members, supporters and the wider Kurdish community with the following updates regarding our upcoming activities and organisational developments.

SOLIDARITY MARCH – 20 SEPTEMBER 2026

As previously announced, KSF will be holding a solidarity march at Trafalgar Square, London, on 20 September 2026, marking the fourth anniversary of the killing of Jina Amini by the Iranian regime. The event poster and information have already been shared and remain available through our official channels. We are pleased to reiterate this upcoming event as part of this statement and encourage our members, supporters and the wider community to take part.

We also welcome those who would like to contribute to the organisation and delivery of the event. Volunteers are warmly encouraged to come forward to assist as stewards, support our media and communications work, or contribute in any other supportive capacity. Anyone wishing to volunteer is welcome to contact KSF through our official contact details or channels.

UPDATE: POSTPONED KSF-KANGA EVENT

We would also like to inform our members and supporters that our recently planned event with Kanga on 30 August 2026 was postponed due to adverse weather conditions and travel disruptions across London associated with the large carnival taking place in central London.

We thank everyone for their understanding and patience. We appreciate the continued interest in this event and remain committed to ensuring it takes place once suitable arrangements can be made. We will provide further information regarding a new date as soon as arrangements have been finalised.

MEMBERSHIP REGISTRATION UPDATE

We are pleased to provide an update regarding the KSF membership registration process. Members who have completed and submitted the official membership form will receive an official KSF membership ID card. This forms part of our ongoing efforts to strengthen our organisation and provide our members with formal recognition of their involvement with KSF.

We are currently completing the necessary steps to prepare and issue these cards. Members will be informed through our official channels as soon as the cards are ready.

FURTHER EVENTS AND ACTIVITIES

KSF is continuing to plan additional events and activities in the coming period. In particular, we are working towards rescheduling the Kurdish Youth Day event in London, and the new date will be announced as soon as it has been confirmed.

We encourage our members and supporters to remain engaged with KSF's official channels for announcements and further information about forthcoming activities.

CLOSING STATEMENT

The KSF Management Committee would like to express our sincere gratitude to all our members, supporters and the wider Kurdish community for their continued support, patience and participation. Your commitment and cooperation are greatly appreciated as we continue developing our activities and working together to raise awareness and support the Kurdish community. We look forward to your continued support and participation in our forthcoming events.
