

KURDISTAN SOLIDARITY FORUM (KSF)

Forûma Pişgirtia Kurdistan

Independent • Non-Profit • Non-Partisan

Human Rights • Democracy • Kurdish Rights

London, United Kingdom

OFFICIAL STATEMENT – 13 SEPTEMBER 2026

Reference Number: KSF-ST00002

STATEMENT FROM THE KSF MANAGEMENT COMMITTEE

The Kurdistan Solidarity Forum (KSF) Management Committee would like to provide our members, supporters and the wider Kurdish community with the following important updates regarding our upcoming activities, events and organisational developments.

UPDATE: KSF SOLIDARITY DEMONSTRATION – 19 SEPTEMBER 2026

The Kurdistan Solidarity Forum would like to inform all members, supporters and the wider community that the solidarity demonstration previously announced for 20 September 2026 has now been rescheduled to Saturday 19 September 2026.

This decision has been made in the spirit of unity, solidarity and collective action, following a request from the Rojhelati Kurdistan party alliance, which is organising a joint demonstration to mark the fourth anniversary of the killing of Jina Amini.

The demonstration will take place on:

Date: Saturday, 19 September 2026

Time: 1:00pm – 3:00pm

Location: Outside the Iranian Embassy, 16 Prince's Gate, London

In the interests of presenting a stronger and more united voice, KSF has agreed to move its previously planned date so that our members and supporters can participate alongside the coalition in a large joint demonstration.

We believe that standing together on this important occasion strengthens our collective voice and demonstrates our solidarity and unity.

Please note that KSF will no longer be holding its previously announced demonstration on 20 September. The KSF event has been moved to 19 September and all members and supporters are encouraged to attend the joint demonstration.

The event poster is currently in circulation through the relevant social media platforms associated with the coalition, as well as through the official KSF Facebook and other social media platforms.

We strongly encourage all KSF members, supporters and members of the wider community to participate and stand together in solidarity.

KSF LETTER DELIVERY ACTION – 5:00PM – 5:30PM

Later that afternoon, a KSF delegation will attend 10 Downing Street to hand-deliver a letter highlighting concerns regarding the deterioration of human rights in Rojava Kurdistan and Syria. The delegation is expected to take place between 5:00pm and 5:30pm, subject to final confirmation of the arrangements.

The letter will be formally submitted to 10 Downing Street, London, SW1A 2AA, as part of KSF's ongoing engagement and advocacy concerning human rights and the situation in Rojava Kurdistan and Syria.

Date: Saturday, 19 September 2026

Time: 5:00pm – 5:30pm

Location: 10 Downing Street, London, SW1A 2AA

Members who wish to be part of the KSF delegation should contact info@ksf.org.uk or contact a member of the KSF Management Committee directly to express their interest and receive further information regarding the arrangements.

The demonstration and subsequent letter delivery action form two separate activities taking place on the same day. Further logistical information regarding the delegation will be communicated to those participating.

We encourage members and supporters to remain engaged with KSF's official communication channels for updates concerning both activities.

UPDATE: KANGA–KSF YOUTH DAY EVENT

We are also pleased to provide an update regarding the postponed Kanga–KSF Youth Day event.

Following further discussions and consideration of the changing weather and conditions, progress has now been made towards arranging a new date. It has been agreed that the rescheduled Youth Day event will take place indoors during October. This will allow the event to proceed in a more suitable and reliable environment for young people and participants. The final date and full details will be announced during the coming week, together with a new official event poster.

We thank everyone who has continued to show interest and patience while the new arrangements have been made.

ENVIRONMENTAL VOLUNTEERING – UPCOMING COMMUNITY INITIATIVE

As part of KSF's commitment to community participation, environmental responsibility and positive engagement with local communities, we are pleased to announce that KSF has been in contact with multiple London councils regarding opportunities for environmental volunteering.

Several councils have expressed interest, and KSF is currently coordinating with Islington Council regarding our first environmental volunteering initiative.

The proposed activity will involve a community clean-up and environmental volunteering session, expected to last approximately 1–3 hours, with the necessary equipment and arrangements being coordinated between KSF and the local council.

The final date and location will be confirmed once coordination with Islington Council has been completed. In preparation for this initiative, we encourage our members, supporters and members of the wider community to come forward and register their interest in volunteering.

This is an opportunity for KSF members and the wider community to work together, contribute positively to our local environment and demonstrate the constructive role that our community can play within London.

Further information, including the confirmed date and arrangements, will be announced through KSF's official channels once finalised.

KSF CONSTITUTION AND INTERNAL REGULATIONS – TRANSPARENCY AND ACCOUNTABILITY

We are pleased to announce that the KSF Constitution and Internal Regulations are now available on the official KSF website for members, supporters and the wider public to review.

Making these documents publicly available reflects KSF's commitment to transparency, accountability and openness in the way our organisation is governed and operated.

We believe that our members and the wider community should be able to understand the principles, structures, responsibilities and rules that guide KSF.

The documents are also available for potential new members to review before deciding to join the organisation. We consider openness and transparency to be fundamental to building trust, strengthening participation and developing KSF as a responsible and accountable organisation.

Members and supporters are encouraged to familiarise themselves with both documents through the official KSF website.

MEMBERSHIP REGISTRATION UPDATE

The KSF Management Committee would also like to remind all existing members, supporters and those wishing to join the organisation that new membership applications are now accepted only through the official KSF website.

Anyone wishing to become a member should navigate to the official Membership Form on the KSF website and complete the registration process through the designated form.

For the avoidance of doubt, this is now the only official method through which KSF accepts new membership applications.

We encourage all new applicants to use the official website and to ensure that their information is submitted through the designated membership registration process.

This process allows KSF to maintain an organised and transparent membership system as the organisation continues to develop.

FURTHER EVENTS AND ACTIVITIES

KSF continues to work on a number of additional events, community initiatives and activities for the coming period.

We will continue to engage with community organisations, local authorities and other relevant partners to develop opportunities that support community participation, cultural engagement, environmental volunteering and wider solidarity.

Further announcements will be made through KSF's official communication channels as arrangements are confirmed.

We encourage all members and supporters to remain engaged with KSF's official channels for the latest announcements, event information and opportunities to participate.

CLOSING STATEMENT

The KSF Management Committee would like to express our sincere gratitude to all our members, supporters, volunteers and the wider Kurdish community for their continued support, participation and cooperation.

The decision to bring our 20 September demonstration forward to 19 September reflects KSF's commitment to working alongside partner organisations and participating in coordinated community activities.

On the same day, KSF will also undertake a formal letter-delivery action at 10 Downing Street concerning the deterioration of human rights in Rojava/Syria. Members wishing to participate in the delegation can contact KSF through the official email address or a member of the Management Committee for further information.

As KSF continues to develop its activities, transparency, accountability, unity and community participation remain central to our work. We remain committed to keeping our members and the wider community informed about our activities, organisational development and opportunities for participation.
